

José Camacho

Toa Alta, PR, 00960, US - Email me on Indeed: [indeed.com/r/Jose-Camacho/f278c4b6bfc8f8c8](https://www.indeed.com/r/Jose-Camacho/f278c4b6bfc8f8c8)

My objective is to work for a company that allows me to sharpen my skills and at the same time make a meaningful contribution.

Having learned everything already by myself and having gone beyond the extent the university takes me, I have the ability to create high quality applications and I can provide a small test project or images of previous projects if requested.

Authorized to work in the US for any employer

WORK EXPERIENCE

Web Developer

Solutions by Design - April 2015 to Present

Developed several responsive websites using Visual Studio with Angular, Entity Framework, Bootstrap, Material, OData, etc.

Application Developer

Warren del Caribe - December 2012 to November 2013

- Developed an application that manages all lighting related reports, databases and notifications in an easy to use interface.
- Managed webstore and catalog item database, helped with design and structure.

Universidad de Puerto Rico Bayamon - Bayamón, PR

SKILLS

Java (6 years), C# (4 years), Javascript (2 years), CSS3 (Less than 1 year), CSS (2 years), HTML (2 years), Entity Framework (Less than 1 year), Angular (Less than 1 year), Angular Material (Less than 1 year), Bootstrap (Less than 1 year), Android Development Kit (Less than 1 year)

ADDITIONAL INFORMATION

SKILLS

- Learn new concepts quickly, work well under pressure and communicate ideas clearly
- Fully bilingual - Oral and writing skills in English and Spanish
- Exceptional knowledge with computers and programming languages such as Java, C#, Ruby, HTML, CSS, PHP, Javascript, etc. and applications such as Visual Studio and Eclipse.
- A lot of experience developing videogames mostly out of self-improvement and entertainment. Mostly used Unity3D but have touched UDK and JMonkey Engine.
- Some experience using Blender to learn how to make my own meshes for my games, though not nearly as extensive as my knowledge with coding.
