Sant Gadge Baba Amravati University, Amravati

Assistant Professor

Unique College Bhopal - Bhopal, Madhya Pradesh - July 2009 to June 2014

Guest Lecturer of Computer Science

Soft Plus Computer Center - Bhopal, Madhya Pradesh - August 2009 to June 2011

Bhopal

Guest Lecturer of Computer Science
• Delivering lectures in Computer Science & fundamental programming and help to improve the skills of students.
•

Software Developer

Vardhman Fabrics (Textile) Oswal Group of Industries Ltd - Hoshangabad, Madhya Pradesh - August 2008 to June 2009

Software Developer

Sun Flag Iron & Steel Co. Ltd - Bhandara, Maharashtra - August 2007 to June 2008

• Held responsible for writing new program code using prescribed specifications as per requirement for creating software applications.
• Involved in requirement analysis, database design, coding, testing, implementation and maintenance of several software applications.
• Held responsible for fixing all the bugs and ensure smooth implementation of the project.
• Handled designing & development of the workflow diagrams & followed up till solving the problem along with writing database queries.
• Responsible for all sorts of technical documentation related to the project, such as document programming problems and resolutions for future reference.
• Provided support & development of the software applications/ tools, included all phases of the software development life cycle (SDLC) for development functions related to large complex applications & software programs

Major Accomplishments
• Developed a "Process Planning & Control System" for the company as Process Mill Section in Visual Basic, ERP & SQL-Server.
• Upload Facility: Time is very important factor for the organization, with the help of this Project reduces the time and paper work. The search facility is useful to each employee to gather all the information of a specific Product by knowing only few details.
• Developed a "Quality Control System" for the company as Rolling Mill Section in Visual Basic, SAP-ABAP & SQL-Server.
• Search Facility: Employees can search information about Product of Steel Company only with the help of Heat No. or Production Date or Chemistry.
• Upload Facility: Authorized people can upload the Record in the Database in SAP to Visual Basic. They create a File In the drive.

EDUCATION

MCA in Computer Science & Engineering
University Dept of Computer Science And Application , Amravati University, Amravati   -   Amravatiy
July 2004 to June 2007

B.C.A
Barkatullah University   -   Bhopal, Madhya Pradesh
2004

SKILLS

ABAP (Less than 1 year), database (Less than 1 year), EMPLOYEE RESOURCE GROUP (Less than 1 year), ENTERPRISE RESOURCE PLANNING (Less than 1 year), Training (1 year)

ADDITIONAL INFORMATION

IT Skills
• ERP: SAP R/3 - (ABAP/4 with Cross Applications)
• Netware: SAP R/3 -XI (Exchange Infrastructure), Mainframe
• Languages: Python, MATLAB R2012b, ABAP/4, XI, Vb.Net, C, C++, JAVA, VB, COBOL, CG, VSAM, JCL, CICS, PHP 5.
• Web Design: 3JS, Nutch, HTML, VbScript, JavaScript

• Database: Oracle 10g, SQL-Server, DB2, MS-Access, DBMS.

• Operating Systems: Android, Windows 2000/XP, z/OS, MS-DOS.

Core Competencies

~ Consulting ~Program / Project Management ~ Process Excellence
~ Business Analysis/ Requirement ~Business Process Management ~ Budgeting / Resource Management

~ Interpersonal Skills ~ IT Project Management ~ Software Development
~Technical/Quality Support ~ Troubleshooting / Fault Analysis ~ Design / Implementation
~ Program Analysis ~ Quality & SLA Assurance ~ Team Leadership
~ Technology Operations ~ Resource Utilization & Mobilization ~ Training & Development
~ Research & Development ~Administration ~ Innovative Curriculum Development
~ Classroom Management ~Student Assessment ~ Development Schemes

SAP Skill Set

• Expertise in understanding the R/3 System and considerable experience in ABAP/4 programming techniques, documenting and designing technical specifications of the processes.
• Possess good knowledge in LSMW, ALV and BDC. Expertise in preparation of Reports for Functional requirements
• Acquire good knowledge of SAP scripts and smart forms, User exits and control events and Debugging using ABAP debugger and Runtime Analysis.
• Have knowledge on Exchange Infrastructure (XI 7.0), SAP Web Application Server Administration, SAP System Administration, SAP Business Connector
• Attained knowledge on WebDynpro / Java Programming using Netware Developer Studio, R/3 - ABAP Programming including ABAP objects, Document Management System, ALE/EDI, IDOC, RFC
• Extensive knowledge in HTML, XML, SOAP, WSDL, FTP, HTTP
